

Owls Home learning

English

1. Research the Roman Forum. What was it used for? How does this fit into our understanding of Roman class/civilisation? Present your findings as a fact-file.
2. Imagine you're an Estate Agent trying to sell a home in Pompeii. How will you write persuasively, and rather sneakily, to sell the property to potential buyers?
3. Complete the activities in your GPaS book (see your pack).
4. Log into sats-papers.co.uk and practise some SATs questions with your parents (Reading and GPaS).
5. If in Year 6, log into spag.com and try out some GPaS activities using your log-in.

Maths

1. Log into MyMaths using your log-in to complete challenges related to our classroom learning.
2. Log into TTRs regularly throughout the day to refresh your times tables.
3. Go onto the class blog—at www.plumptonowls.wordpress.com— and click on the SATs support tab. On there, find the Maths Sats Buster tab where you will be able to try out Maths questions and watch videos showing you if you got the right answer!
4. Log into sats-papers.co.uk and practise some SATs questions with your parents (Arithmetic and Reasoning).

RE/French—

RE

Find out what's meant by 'salvation' and make notes about its importance for Christians.

French

Draw a person and describe their hair, eyes (les yeux bleus)

In this document, we outline all the topics/skills/learning we had planned to cover. Complete all this work in your purple home learning exercise book (so we can celebrate your hard work on your return).

PSHE

Our topic this term is Healthy Me, and part of being 'healthy' is looking after our mental health.

As a result, can you create a drawing or card for someone vulnerable in the local community/your family. It could give them a real boost!

Science

1. Grab a shoebox, and make it as dark as possible. Cut out a hole for light to enter. Draw a diagram to show what's happening.
2. Use two mirrors to view a mystery object on a table top from below the table (include a secret message).

Art/French/PE/Computing

Art— Sketch a Roman object—focus on shading.

PE— Get outside in the garden, and just get active!

Computing— Log into Purple Mash and try out the Free Code 'Gibbon' challenges.

History

1. Research what Britain was like before the Romans—look at Celtic housing, forts and customs. Present using a diagram/drawing, and contrast with Romans.
2. Analyse the question: *why did Julius Caesar leave Britain after just three weeks?* Present answer as an essay.
3. Research Boudicca's rebellion. Write to her to persuade her to rise up against the Romans—give reasons.

Subscriptions/log-ins/other activities

SPaG.com—for Year 6—some grammar challenges

Times Tables Rockstars—for Years 2-6—a wide range of time tables challenges

MyMaths—Maths tasks relating to classroom learning

Purple Mash— Computing/codes tasks

Homework menu— range of activities relating to our topic
