PLUMPTON

# **Plumpton Primary School**

Executive Headteacher: Stewart James Head of School: Jonathan Hughes plumptonoffice@skylarkfed.education www.plumpton.e-sussex.sch.uk Address: Southdowns, Plumpton Green, BN7 3EB Tel: 01273 890338

**Nsletter** 

#### Dear Parents and Carers,

Another jam-packed term is drawing to a close. Thank you to all parents and carers who have supported us in a variety of ways this term by helping with the February Fundraising Fortnight, a wide range of trips/visits, and by coming into school to watch the pupils' lovely class assemblies.

#### **Safer Internet Day**

Tuesday 11<sup>th</sup> February marked International Safer Internet Day. Pupils at Plumpton School learn about E-Safety throughout the year, but this special day allowed us to hone in on this year's global theme of 'Together for a better internet'. We have displayed a sample of the children's work on our new Safer Internet board in The Nest classroom.

## February Fundraising Fortnight

Thank you for supporting your child throughout the February Fundraising Fortnight. We are currently totting up the total amount raised and will get the final figure to you by the end of the week. Meanwhile, here are some photographs of our budding fundraisers in action:

#### **Attendance**

Overall attendance at present is 95.4% which is below the Local Authority and Department for Education expectations of 97%. We will continue to write to those parents whose children's attendance falls far below the requirement.

However, a well done to Woodpecker Class with 96.8% attendance.

#### Visits this term

Woodpeckers and Robins have been out-and-about this term to help bring to life their classroom topics.

Robins visited Middle Farm and enjoyed glorious weather. Take a look:

Our Woodpeckers visited Cumnor House Independent School to earn their Bunsen Burner Licences, and to take part in a Popcorn experiment!

#### School Council update – Energy Watch

Our School Council have been working hard – once again – to improve our school's environmental credentials. This term our School Council representatives have been battling to ensure that Plumpton beats Hamsey and Barcombe in reducing its energy usage...and we have! Over the course of January, Plumpton School's energy output reduced by 8%. Take a look at our School Council board when you're next in school.

#### Progress towards our SDP

Our School Development Plan is available for you to view on our school website. It outlines what we are doing to ensure the school, and our pupils, continue to develop and flourish.

This term we have focused on improving three aspects of what is called the 'SDP': attendance, reading for pleasure, and local community links.

Firstly, as mentioned above, we are pleased that **attendance** is slowly beginning to improve. We are really pleased that, since September 2019, our overall attendance figure has increased by 1.3%.

Secondly, we are looking forward to celebrating all things book-related during our **Book Week** Bonanza the week commencing March 2<sup>nd</sup>. We have been busy organising an author visit and a whole-host of exciting reading opportunities. Moreover, we are continuing to welcome our Reading Dog, Nero, to school who is working hard with readers from right across our school.

Finally, we have been successful in raising lots of money to support a wide range of **local charities**, including Raystede, Ronald McDonald House, The Horse Trust, and Patina, Lewes. Our Year 3 pupils have also taken part in some rockclimbing classes at Plumpton College this term (see below for photos).

## Poetry Day

On January 31<sup>st</sup> we forgot about the usual timetable of English, Maths and Science, and just focused on Poetry. It was a wonderful opportunity for pupils in all classes to really get stuck into a poem in great detail. Take a look at some of our creations:

#### **Rock climbing**

Our Year 3 Kingfishers took part in rock climbing at Plumpton College!

## February Reading Challenge

Today children will bring home in their book bags the newest holiday reading challenge. This half-term break, children are challenged to read in extreme and unusual places (provided it's safe). We would love to add photographs of the children's wild reading to our Reading Star display, so please snap away!

## Looking ahead to next term (Book Week/Sports Relief)

Next term is also set to be jam-packed with lots of exciting events. Notably, we will be celebrating our Book Week with our author visit on Tuesday 3<sup>rd</sup> March and our World Book Day dress-up day on Thursday 5<sup>th</sup> March. Then, beginning Mon 9<sup>th</sup> is the annual Sports Relief week.
